Selected Comments from Student Feedback

"I really appreciate her patience, sometimes it takes a while for me to grasp concepts, her office hours are really helpful, her discussion material too."

"Elisa is always prepared for Discussion Sections and is very helpful and kind during the sessions and during office hours. She is someone who cares very much about teaching the material well and the success of her students"

"It's helps me to understand some of questions in homeworks"

"Elisa is very helpful and typically anticipates what material is most difficult and prepared well for it"

"She is very helpful. She's also very motivating for her course and all other courses. Also answers emails quickly."

"Very helpful and always prepared. Care above and beyond to help us understand the material. Course forces us to think and she helps as much as possible to make it palatable."

"I think she is extremely well- prepared and knows the course content in and out. "

"She has been considered by offering extra office hours"

"Elisa does a good job explaining the intuition behind the mathematics and always explains everything in detail."
